

The Gazette

Vol. 16 No. 30 St. Albert & Sturgeon

Wednesday, July 30, 1975.

15¢

A FISHING TRIP on the Sturgeon River July 29 took a turn for the worst for Richard Hauptman as he drove back to St. Albert from the Cunningham Bridge on the river road. Rain and heavy oil proved too much for Dick and his vehicle which got a liberal splattering of the black stuff and slid into the ditch. Dick said that a number of other cars had experienced the same fate. A spokesman for the MD of Sturgeon said Tuesday morning that an official had been sent to the road to check it out and it will be sanded or covered with light gravel to bring the oily conditions under control.

Industrial design brief submitted by consultant

The town of St. Albert is currently examining a design brief prepared by EPEC Consulting Western Ltd., dealing with the "East Industrial Area" east of Akinsdale. The design brief will be under discussion at a public meeting on August 20.

The principal objective of the study was to examine the suitability of the "East Industrial Area" for industrial development, its impact on the town, and recommended guidelines for its development. According to the conclusions the proposed area is a viable and suitably located development.

In an interview with Mr. R. L. Byron, town administrator, it was noted that the area proposed covers 685 acres in total including lands within the MD of Sturgeon. He said that the property is owned by two parties and the developers are interested in getting underway with the project this year. Mr. Byron

noted that the first step to be taken would be a public

meeting with the developers. Please turn to page 2.

First Baptist Church in St. Albert

When First Baptist Minister Bill Heath begins to set up a First Baptist Church in St. Albert in September it will be the fourth he has built in his lifetime.

Very much inspired by another religious figure in St. Albert's past, Father Lacombe, Rev. Heath said that it was while vacationing in Vancouver, B.C., in 1957 that he felt that God wanted to use him in Canada as a clergyman.

Rev. Heath was born in Stratford, Texas and began his first church in Monitor, Washington in 1956, a second in Williams Lake, B.C., 1960-68, then a third in Calgary, 1968-75.

He said that by coming to St. Albert he has a great chance to pioneer a Baptist Church and "looks forward to join hands with the Christian community to complement what is here."

Rev. Heath looks back on a happy time in the ministry, having worked as chaplain at a radar base in B.C. He anticipates getting a regular column in the local paper.

The First Baptist Church will also be holding a vacation bible school at the Lorne Akins School on Fairview Boulevard Aug. 25-28. This will be for boys and girls age 4-12, 10 a.m. - 12 noon.

Council will consider basic shopping centre agreement

Mayor Plain informed the committee of the whole meeting on Monday night that negotiations have been proceeding regarding the regional shopping centre development and the basis of a development agreement should be ready by next Tuesday.

The mayor made his comments during the question and answer session of the committee meeting and reported that it is felt that next Tuesday would be a critical stage.

Coun. Lukay wondered if other developers were still pursuing negotiations and the mayor noted that Mr. Shapiro "is aspiring to something other than a major shopping centre."

Mayor Plain noted that there has been some concern regarding the water rates. The mayor said that he had contacted various individuals from the city of Edmonton and discovered that rather than holding all rate changes (as per the request of the town), the city has implemented the new rate changes but held surcharges in abeyance. "This means basically," the mayor said, "that some large rate increases, such as in our case and some other large users, those increase amounting to some 220% have been implemented."

He said that the Ad Hoc

committee of water users are concerned with respect to this move and they have decided to fulfil the request of the city of Edmonton (regarding information from the various communities) and ask for documentation of the questions that they have set forth for the city of Edmonton.

"After that change of information has taken place we will reconsider what steps the town of St. Albert,

County of Strathcona, and all other users will take," the mayor said.

The mayor commented on the development of the recreation grant negotiations saying that the rec grant proposal is still being considered. He said that he suspected that vacation time for senior officials has inhibited the ability of the government to give the town an answer regarding the

Please turn to page 2.

Leave of absence flexibility for nursing home patients

Each patient is also eligible for 15 days while an inpatient in a hospital can use additional days that are available from his extended leave allotment.

Approved leave of absence days means that the Hospital Services Commission will pay for the bed while the person is away. For none approved leaves the patient is responsible for payment.

Changes in the regulations have been prompted by difficulties senior citizens have been experiencing when they need to be away from their nursing home for longer than the approved time.

New nursing home regulations proposed by the provincial government will give

patients in those homes much more flexibility for leaves of absence.

Patients will be eligible for 30 consecutive days of leave in a calendar year or 28 days if the leave is taken in two or more groups of days.

This would mean that the patient could apply one or two days to his allotment of 28 to any weekend where he already has a 48 hour leave by the old regulations.

Also, senior citizens in nursing homes will be eligible for leave on 10 statutory holidays and can take other days in lieu of these if they wish. They will receive the day before or after the statutory holiday as well as the leave day.

Residents at the east end of Forest Drive were not pleased with the garbage dump which accumulated across the street from their residences and they actively have attempted to have the situation rectified. It appears that private parties as well as the town have employed the empty field as a dumping grounds for some time and the situation became intolerable. Mr. Mel Shtabsky, of 128 Forest Drive, confronted the town and demanded action this spring and was informed that there was nothing to be done because a development agreement existed between the town and the developer (Qualico). On Monday morning Mr. Shtabsky called the town and threatened calling the media and the provincial government and by 1:00 p.m., a small army of town employees were on the site, constructing a barricade and removing waste material. A front end loader was on the site loading up trash into trucks when the Gazette was on the scene. Mr. Shtabsky says that he has seen a town street cleaner jump the curb and cross the sidewalk to get into the field so that the street sweepings can be dumped. He notes that in a good wind there would be a dust storm on the east end of Forest Drive. "The dump was three feet high and 20 feet long," reports Mr. Shtabsky.

Famous comedians from Hollywood at Northgate

If you want to die laughing August 15, go down to the Northgate Shopping Centre's 10th Birthday Sale and see the great comedy team of Bill Skiles and Pete Henderson in action.

They will only be there for the day and are coming in direct from Hollywood.

Although their name might not ring a bell with you, their duo has been together 15 years and they are second only to Rowan and Martin in terms of professional comedy relationship. Rowan and Martin hold the record with 21 years together as a team.

They have been reviewed as "downright riotous," "clean, original and hysterically funny", they are funny as well as convincing, they entertain you, they don't insult you, they make you laugh out of joy," and "two names to remember as a must see."

Both comedians are expert musicians: Skiles on the drums, vibes, piano and "concert tire pump" and Henderson on the piano, bass, violin, saxophone and guitar.

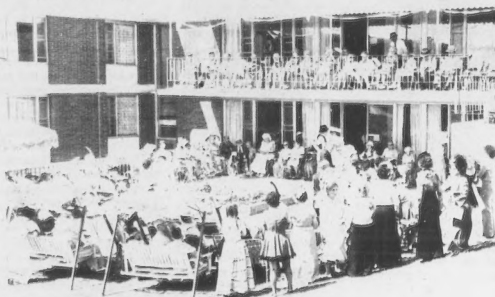

Skiles and Henderson have given a tantalizing glimpse of their talents as regulars on the Gold Diggers Show for Dean Martin and such other shows as Johnny Carson, David Frost, Glenn Campbell, Johnny Cash, Hollywood Palace, Mike Douglas, Joey Bishop, Ed Sullivan and an ABC special called "Rockin' the Palace."

They have toured with the Carpenters, Rowan and Martin's Laugh In, and Henry Mancini and shared the bill with top stars Johnny Mathis, Anthony Newley and others. They have appeared in the most prestigious clubs in the United States with their act.

Skiles and Henderson will be making three appearances at the Northgate Shopping Centre in one day, at 11 a.m., 1:30 p.m. and 2:30 p.m.

FAMOUS COMEDIANS Skiles and Henderson will be at the Northgate Shopping Mall August 15 to entertain you with their weird and wonderful comedy skills.

The Youville Home held its annual Klondike party last Wednesday and about 80 residents of the home took in the festivities. Mr. and Mrs. Provencal and their son [residents of Vimy] entertained the group with music and members of the staff led the singing of a few familiar tunes.

Record crowds at Klondike Days

Paid attendance totalled 600,604 people compared with 593,429 in 1974 as Klondike Days ended on July 26.

131,616 people took in the first Coliseum of Stars, deemed by the Exhibition Association directors as a resounding success.

Grandstand audiences thrilled to the Little Angels of Korea, and Klondike Palace crowds enjoyed Fran Dowie's "Crazy Castle of Fun" and the Mickey Finns.

Wagering at Northlands Track totalled \$4,573,769 over nine days and established a new record single day handle of \$843,759 to

end the Klondike meet on July 26.

Major prize winners announced at the Exposition's close were: Dream Home - Mr. R. Bohush, 8820 - 136 Avenue, Edmonton; \$50,000 Gold Brick - Malsy Ney, 21D Callingswood Court, Edmonton; Rotary Club Motorhome - Hellen Tacowny, R.R. #3

Calmar, Alberta; Kinsmen Club Camper - M. Dupre, 4441 - 116 Avenue, Edmonton; Kinsmen Club Thunderbird Car - Gladys Shabon, 11412 - 56 Avenue, Edmonton; Home Freezer with \$700 worth of food stocked in it - Bill Kryzonski, 7945 - 85 Avenue, Edmonton.

brief submitted

Continued from page 1.

Commenting on the sewer study, the mayor said that the consultant is currently looking at alternate rate structures and was going to meet with the M.D. of Sturgeon to ascertain what consideration they wished.

The mayor said that the study would be complete by the middle of August.

The mayor also pointed out that funding has been received from the government for the purposes of the water study and that the results of that study should be complete by the end of October.

He pointed out that prospective customers are being pursued but the study is "barely underway."

Mayor Plain noted that he

has contacted the transportation consultant regarding bus scheduling for the fall. He said that information regarding public transportation would be forthcoming for council's perusal.

The final point discussed by the mayor related to the setting of a public meeting on August 20 to deal with the matter of industrial development. The mayor moved that this date be set for a public meeting to discuss the proposed outline plan for the eastern industrial park. The motion carried 5-0.

He also moved that a synopsis of the plan be prepared and circulated to the residents of the residential areas near the proposed location. This carried 5 to 0.

shopping centre

Continued from page 1.

and consultants on hand to respond.

Owners of the property include Qualico and discussions have been held with an agent of the Owner of the other portion of the land.

The initial stage would cover approximately 50 to 80 acres and total development of the area would take between three and five years. It is anticipated in the report that the total development within St. Albert, when complete, would employ between 3,000 and 4,000 people and would generate tax revenue close to two million dollars. This area within the town of St. Albert covers 235 acres. On the total 685 acres, the estimated employment potential is approximately 11,000.

Asked if the employment generated would cause a hardship to transportation routes in the town of St. Albert, Mr. Byron noted that this would result in more traffic coming out from Edmonton as well as north of the town in the initial stages of the industrial area but this would change as time went on.

Anticipated road improvements would include 142 Street for truck traffic, 149 Street and 170 Street, reports Mr. Byron. He also noted that the alignments of the ring road and northwest freeway which are currently under consideration by the provincial government were

noted in the design brief.

Buffering of Akindsale and the surrounding residential areas have also been considered with the M1 uses (industrial wholesaling, commercial uses, restaurants, banks, etc) also acting as buffering to the residential area. A further consideration which involves realignment of the road (149 Street) with M1 located between the road and the residential area could also serve as a buffering consideration.

The M2 uses (industrial commercial uses, warehousing, light enclosed manufacturing, enclosed processing, distribution, etc) are proposed for location further from the residential areas.

"In terms of real benefit to the town," noted Mr. Byron, "is mainly and primarily in that it (industrial development) stimulates the economy of the community in the portion of the wages which are spent in the community and therefore a broader range of services are made available to the citizens of the town." He also pointed out that the residential taxpayer in St. Albert bears the cost of servicing in St. Albert and this situation would improve as a result of industrial development. It would also provide employment opportunities.

Mr. Byron feels that a rough estimate of residential/commercial-industrial tax split could change from 94%-6% to 65% - 35%.

AGT
GOOD NEWS PARTY LINE

St. Albert Minor Football Association will be sponsoring the Wallace and Rogers Circus August 14 and 15. There will be two shows daily at 3 and 7 p.m. at the Lion's Park.

Advance tickets for 12 and under are \$1.25, adults \$2.50.

Tickets at the gate for 12 and under are \$1.50 and for adults \$3.00.

Anyone who wants advance tickets can call 459-8208 or 458-2728 for delivery.

Bantam practice will start August 4 at the Lorne Akins School for boys between the age of 13 - 15 inclusive. Pee-wee practices will be starting August 7 for boys between 10 and 13. Watch the paper for fields and practices.

Forget your worries at the Red Barn and dance the whole night through

By Jim McIntyre

THE RED BARN old time dance hall is a very recent appearance on the Lily Lake landscape since construction began last May. With tremendous facilities for dancing, there are also excellent facilities for those who like picnics and barbecues.

"Grab your partner by the hair, swing her gently through the air."

It may never get as wild as that at the Red Barn, a new Old Time dancing hall which has just felt the first feet flexing on its hardwood, floating - on rubber dance floor, brainchild of Walter Jerram and Bill Cochrane of Legal.

This mecca of country style, modern and old time dancing is well worth a visit if you want something with a touch of class, away from the run of loud city cabaret, too many people and an impersonal atmosphere.

Further, the dance hall, which rises as the name suggests, like a gigantic red barn from the rural scene about 10 miles north of Bon Accord on the Lily Lake Road, has a setting second to none with a commanding view of the brooding but tranquil waters of Lily Lake.

Meadows stretch for miles as you look from the dance hall's south balcony, noticing also its excellent picnic facilities and the ample parking space. There you can park your trailer or camper if you can't face the journey home after dancing into the wee hours.

The new dance facility will be officially opened soon, but you would think that this had already taken place as people park the 1000 plus capacity hall decked out with its gay antique lanterns and western style wagon wheel chandeliers.

But it's the atmosphere of the place which grabs. Here is a setting where the girls ask the men to dance and where even nuns have sat down by the candlelight with a "Bachelors Welcome" notice displayed on the table, as a joke, of course.

And the decor for the dancing palace isn't half finished yet. Elk antlers will be placed at the head of the hall, an antique buggy already graces the outside of the barn's main entrance.

An old cream separator has been earmarked for the hall, along with shiny leather harnesses to highlight the rural setting. There'll also be a black leatherette finish for the bar and plus red carpet will be put down in areas where there is no dance floor.

It's meant a lot of hard work for Mr. Jerram and Mr. Cochrane who felt that from what the people round about were saying, there was a definite need for such a facility in the rural area which is only 26 miles from Edmonton's Northgate, a mere half hour ride from the city. So the hall fulfils a dual function, saving the country folk from the perils

of city driving and offering the city folk a Saturday night dance, house, winter and summer. And this at a very reasonable price for entry and membership.

It was last December when the idea for the dance hall took shape, and the property could so easily have been developed as a snowmobile park.

"But they (snowmobiles) would not mix with horses," commented Mr. Cochrane pointing out that you can also book a hay ride at the Red Barn as well as picnics and old time dancing.

Four furnaces will keep out the winter cold when it comes and 15,000 gallons water storage capacity is more than ample to anticipate a major rush to the Red Barn's 14 separate Ladies and Gents toilet facilities.

The building has gone up smoothly since May and new additions and decorations will include more lanterns for the wooden walk way to the hall as well as a windmill for the grounds.

Considering that the hall has only been in action two weeks there is even now an atmosphere of familiar use and one's mind boggles when thinking what the Red Barn will have to offer when its first new year celebration comes round.

The Red Barn also means employment for local country people and if you fancy pyroqs, hamburger, coffee or cigarettes, Clare and George Eliuk will cook up the treats for you.

The Red Barn is a unique concept in dancing and social contact and you'll be missing out on a good thing if you don't give it at least one good try.

The next move is up to you.

Part of our 'energy dollar' buys a nice day in the country.

Most people consider a pleasant day spent in the country with families and friends as one of the free things in life. Freedom to run, jump and play under clean, blue skies. But few realize how much it actually costs to keep the air clean.

A portion of every energy dollar which Calgary Power spends goes toward environmental control. Electrostatic precipitators (ultra-sophisticated air purifiers) installed on the thermal generating plants located on Lake Wabamun are designed to remove 99.5% of the flyash from exhaust gases. That's good, but it's expensive.

**CALGARY
POWER**

Two units at the Sundance operation across the lake have already been equipped with precipitators and by 1980, another four will have been installed.

The cost of environmental programs is astronomical. Present estimates call for an expenditure of over \$100 million on environmental protection at our Sundance and Wabamun plants.

As a concerned company, we will continue to spend part of our energy dollar to buy a nice day in the country for all Albertans.

"How good is your homeowners policy?"

"I represent Safeco because it protects you against things you don't often think about - until they happen. Things like damage resulting from sewer backup, electrical damage to appliances, smoke damage, and even damage to the property of others when you feel a moral obligation rather than a legal one."

"Safeco offers the best homeowners policy in town. I'd like to explain all the details."

from the Mayor's Office

Planning and public participation

The Town Council is strongly committed to the principle that citizen input is a vital prerequisite if sound planning strategies and policies are to be formulated for our community. There are two areas at the present time in which citizen input is required.

GENERAL PLAN QUESTIONNAIRE

The General Plan work has reached the stage where a considerable amount of fairly detailed information is required to ascertain residents' opinions and attitudes regarding the development of the community. There are a number of ways of obtaining this information (public meetings, phone-in programs, etc.), however, in most instances it is difficult to determine whether a representative cross-section of public opinion has been obtained. One method of overcoming this problem is to circulate a questionnaire to a relatively large sample of randomly-selected residents. The St. Albert Planning Department has adopted this approach. The Town Council would appreciate it if the citizens who are contacted by this Department would assist the community by filling out the questionnaire. Representative citizen input is an important element in developing the Town's General Plan. The degree to which we are able to achieve this goal depends entirely on the type of response we obtain from our questionnaire circulation.

OUTLINE PLAN FOR AN INDUSTRIAL PARK

During the last municipal election, a question dealing

with the development of light industry was placed before the electorate. An overwhelming majority indicated they were in favour of locating non-polluting light industry in St. Albert.

The Town Council has reacted to this directive by retaining a group of consultants to prepare an outline plan for the development of a light industrial park in St. Albert, which would preserve our high quality residential lifestyle and reduce the burden of residential property taxes. This report has been completed. The Council is desirous of receiving the public's comment on this proposal during the next three weeks.

The following steps are being followed in eliciting the public's response to the outline plan. Firstly, a brief synopsis of the report will be prepared and made available for distribution at the Library and Town Hall. (All of the residents in the neighbourhood bordering the proposed industrial park will be mailed a copy). Secondly, a limited number of copies of the "complete report" will be placed in the Library. Thirdly, a public meeting will be held on August 20, 1975. A presentation of the outline plan will be made by our consultants at this time. Verbal or written submissions will be welcomed and the public will have the right to pose questions to the planners and the private developers. Given this input, the Council will formulate its decision regarding the establishment of the Park.

In closing, it is hoped that by adopting the above approach that the Council and the citizens of St. Albert can formulate plans which are in the best interests of our community.

CROW LODGE, a \$1.4 million administration and recreation complex on the Piegan Reserve at Brocket, Alberta, was officially opened this month. The new 52,000 square foot structure houses a 21,200 square foot arena with artificial ice, the Band administration offices; offices of the Federal Department of Indian Affairs, a health and dental care centre; a Post Office, a general store, a commercial financial institution, cultural and early childhood education facilities and a snack bar.

to the Editor

Thanks for a job well done

As a parent of a boy which participated in the Mosquito Division Provincial Playoffs which were held in St. Albert July 19 and 20, I would like to thank the St. Albert Minor League Baseball Association for a job well done. The

visiting teams and local team were well taken care of. A special thanks to George Wheatley and Gerry Samagalski for all the time and effort involved.

Betty Willems,
Forest Lawn.

The Gazette

REFLECTS

It sometimes happens that by remedying one evil - dusty summer roads - we discover we have solved one problem only to lay ourselves open to many others.

When you think of it, oil seems the logical substance to put down on gravel roads so that drivers may be free from dust obscured vision.

But not when it turns a road into an oil river as was the case on the river road from the Cunningham Bridge to St. Albert early this week. Rain which had recently fallen on the oil didn't help matters either, making vehicles skid into the ditch and get themselves even more messed up.

One unfortunate driver brought his oil covered vehicle to the Gazette after he had extricated it from the ditch emphasizing that he had reduced speed to meet the slippery conditions on the road.

There must be other methods to keep our gravel roads dust free in the summer. Many people who have had bad experiences with oil on the roads, would probably be the first to admit that dust clouds are more easy to live with than a car which will take five pounds of butter and a lot of elbow grease to remove those clinging oil stains, souvenirs of a trip on a local country road.

that Mrs. Martin had seen fit to contact me following this program and express her views, since the whole situation had been handled under her guidance. Instead, I was given the reasons stated by Mr. Hogle when I attended an interview with the instructress following the orientation program. Erin, I was advised, was academically and emotionally prepared for school but was not competent in the area of critical thinking. I was also advised that there was no doubt she would be at the top of the class next year.

In view of the above, I conclude that a five year old child must pose a very real threat to the system if it is necessary for this system to use the Gazette as a vehicle to be sure that the Town of St. Albert and all its citizens realize that Erin "did not appear to perform as well as most of the other children in the class were some months older." The "system" has won the battle, although their tactics leave a great deal to be desired by anyone with a sense of ethics.

Linda A. Kuzz,
Grandin Park.

More on Hogle comment

Having observed with great interest the recent television series "The Status of Children in Canada," and having observed with some amusement and not a little anger the workings of the Alberta educational system, I have come to the conclusion that the status of children in Alberta is non-existent.

They are not protected re: discrimination because of age by the Alberta Human Rights Commission. An evaluation compiled over an eight-month period, which is included with this letter, by the director of the St. Albert Day Care Centre, was disregarded in favour of an assessment by an instructress who, albeit "experienced and competent," also had to assess 26 other children that 4½ day period. May I add that following a period when I sat in on Erin's class, the instructress admitted freely to the parents present that it was impossible under these circumstances, unless a child had glaring difficulties, to make a competent assessment of their abilities. In view of Mrs. Martin's comments, I must assume that Erin had glaring difficulties.

In retrospect, I also wish

Alberta could follow Sask's lead

LEGISLATIVE REPORT
By Grant Notley, MLA
[Spirit River-Fairview]
Provincial Leader, NDP

DRUG PLAN

The Alberta government should give serious consideration to the prescription drug plan being implemented in Saskatchewan by that province's NDP government.

The province-wide scheme, under which Saskatchewan residents will pay a prescription charge of no more than \$2 for each drug covered, with the Saskatchewan government paying the balance, goes into effect September 1.

This plan will benefit many

Saskatchewan residents, but it will be of particular benefit to the elderly and the chronically ill, on whom the high cost of drugs can place a heavy financial burden.

Alberta would do well to adopt a similar program. With all its surplus oil wealth, Alberta could easily afford to provide prescription drugs at low-cost.

Unfortunately, Alberta has been most reluctant to follow Saskatchewan's lead in extending health care benefits to all citizens.

For example, Saskatchewan has eliminated medicare premiums; Alberta still has among the highest rates in Canada. Similarly, Saskat-

chewan has implemented a dental care plan for children; Alberta apparently has no intention of following suit.

Alberta residents concerned about health care should ask the provincial government to set aside some of its oil wealth to fund the types of social programs pioneered by Saskatchewan.

SURFACE RIGHTS LEASES

Alberta farmers who have Surface Rights Leases with Imperial Oil which predate 1972 are understandably upset by Imperial's attitude toward renegotiating such leases.

The provincial government

has suggested that oil companies should renegotiate substantial increases in such leases, but has left it on a voluntary basis. Several oil companies have acted as good corporate citizens and have voluntarily renegotiated increases at double the old rate or even higher.

Unfortunately, Imperial Oil has refused to take a responsible approach, and the government should bring in legislation opening up all pre-1972 leases.

Imperial can well afford to pay more since it is benefiting by at least \$120 million more on exploration incentives and the new royalty rate structure.

From the office of Stan Schellenberger

On budget night, Finance Minister John Turner put one more knife in the back of the Canadian consumer by proposing a special 10¢ a gallon excise tax on gasoline used for private cars, pleasure boats, motorcycles, snowmobiles and other personal purposes.

Mr. Turner estimates that net revenues from this tax will amount to roughly \$350-million during the remainder of the current fiscal year. Just what does the federal government intend to do with this windfall? It is strictly Ottawa's money; there is no sharing it with either the producing provinces or with the industry. Instead, the net revenues collected through this scheme will be utilized to offset the deficit in the petroleum import cost compensation program caused by the fact that we are now importing into Eastern Canada more oil at higher prices than we are able to sell to the United States from Western Canada.

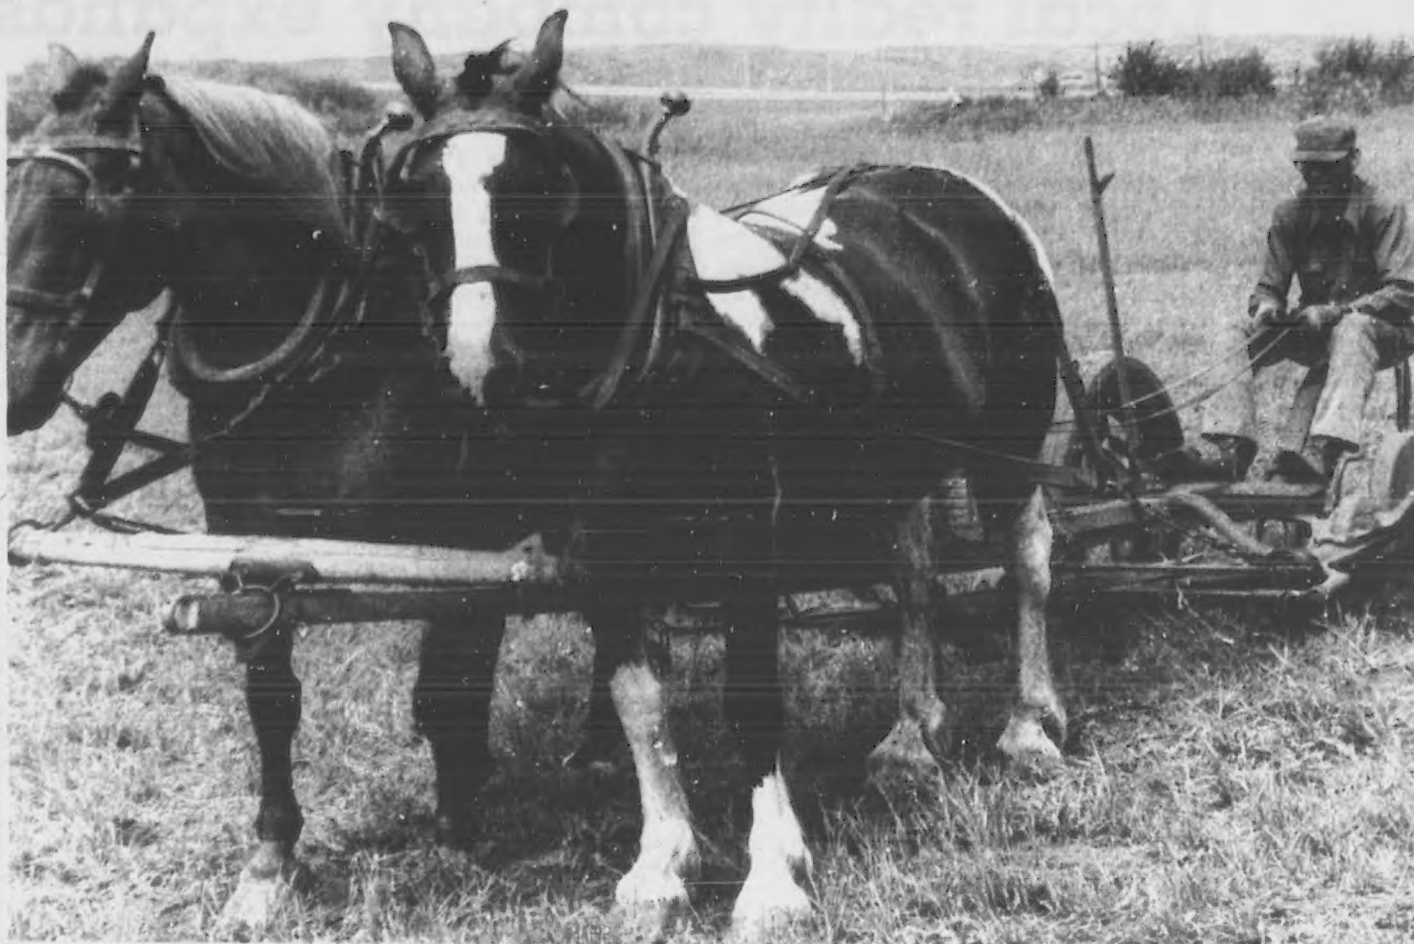

Aside from alleviating the deficit in the import cost compensation program, Mr. Turner argues that the price increase in gasoline will aid the government's energy conservation program by reducing needless gasoline consumption throughout Canada. But price, in itself, cannot be the sole deterrent for reducing levels of consumption. Canadians live in a very mobile society and price alone cannot deter the movement the private automobile has afforded us, nor the gasoline it consumes. Any effect price may have upon conservation can only be valuable when tied to increased levels of exploration and development and increased research into and the development of realistic, fast and efficient urban and inter-city public transit systems. Without the former, Canada will become in-

creasingly reliant upon external sources of petroleum and of necessity will be forced to adhere to the political machinations which accompany them. Without the latter, there will be no incentive for the individual to rely more upon public transit and less upon the private automobile. Needless to say, Turner's special gasoline excise tax does neither.

This increase places an unjust direct taxation on all private motorists and creates an added hardship for the majority of motorists who are in the lower and middle income groups. Motorists in rural areas who cannot survive without the automobile and the long-distance commuter, forced to use private means of transport because of the lack of adequate public transport, will necessarily bear the heaviest burden. Vacation travel may well be stymied because of the increased cost of gasoline and think what this increase will do to the automobile industry already burdened by production cuts combined with resulting financial losses and employee layoffs.

Admittedly there are some individuals who are exempt from the excise tax on gasoline and who will, therefore, be able to claim a refund. But surely by creating a "special class," the government has only served to compound the whole excise tax mess! The administration cost necessary to regulate the refund system and the procedures necessary to differentiate between the "eligibles" and the "non-eligibles" will indeed be enormous and inordinately complex. Some individuals may try to get far more money rebated than they are entitled to for the gas they have actually used in their operations and despite the inherent honesty of the Canadian people, when a 10¢ gallon tax is involved there will no doubt be a great temptation on the part of some people to get into the exempted class.

The excise tax on gas is clearly an inflationary tax, inconsistent with the emphasis the Finance Minister placed on restraint in his budget speech, and promising gigantic headaches for the Canadian consumer and governmental bureaucracy alike.

Hay mowing was done with a horse drawn mower before the operation became mechanized and tractors replaced work horses. Although putting up hay is not commonly done this way today, Mr. Albert Belcourt of St. Albert still uses this method. Mr. Belcourt was putting up hay in the field beside the greenhouses north of the Sturgeon River last Thursday powered by Queen (left) and Topsy and he didn't have to spend a penny on gasoline.

Block parents program

The St. Albert Block Parents Program is looking for more applicants for the protection of children.

The objective of the program is to get as many Block Parents on each street as possible, so that St. Albert remains a safe place to live.

Persons who are accepted into the program have a sign in their windows that all children can recognize. Their main duty will be to alert and available so that any child can have adult assistance if the need should arise for protection from such hazards as sex offenders, vicious dogs and accidents etc.

Prospective applicants will be screened by the RCMP but they point out that this is a very simple process. Any adult in St. Albert can

become a Block or Street Parent. There are no membership fees involved, no meetings to attend and you do not have to change your every day routine. Even those who are working are eligible for program membership.

If a child needs help, that child will know that Block Parents will be on hand. The Block Parent will find out what the problem is and notify the proper authorities. They can also assist by getting descriptions of suspected individuals and vehicles.

Once Block Parents have been selected they will receive instructions on what to do and how to do it. They will not however be providing first aid, transpor-

tation, food, recreational or toilet facilities.

The program has been tried and proven successful in other areas, and has support of schools, Police Department and other organizations.

Applications are available from the RCMP Office - 20

Muir Drive, the Parks and Recreation Department at the St. Albert Town Hall, the Health Unit office and the library. All applications are treated in strict confidence.

For further information and application forms call the RCMP at 459-7721 or Mrs. Kay Romeril at 459-6208.

AROUND TOWN

Mrs. Janne van Houten of Baflo, Holland and Mrs. Roelie Waninge of Pesse, Holland, mother and sister of Mrs. Anne Kampen of St. Albert are visitors at the Kampen home in St. Albert till August. Andy and Anne motored their relatives to the Okanagan Valley for a holi-

day travelling via Jasper-Lake Louise and returned via Trail, Lethbridge. Andy reports that the two visitors were wowed by the beauty of the mountains. While in St. Albert, the Kampens entertained their relatives to Klondike Days in Edmonton.

Local realty company expands to Edmonton

Bell Realty Ltd., a real estate firm founded in St. Albert less than a year ago, is about to open its first branch office at the Edmonton Plaza Hotel.

Bell Realty is a local St. Albert firm, founded by two residents, and during their first three months of operation they did over a million dollars in business in St.

Albert.

Mr. Keith Davidson, president of Bell Realty, admits that he is quite excited about opening the branch office at Edmonton Plaza. "Given the main office in St. Albert and the branch in Edmonton, we should boost St. Albert considerably," he says.

General Manager of the Edmonton Plaza Branch, Wes Gregory, notes that the new branch is attracting top personnel to the firm. Mr. Gregory himself has been a senior executive with another realty company in Edmonton for the past seven years.

Mr. Gregory is an Edmonton resident and has been for the past 24 years.

He has been active in the construction and hotel industry and has a strong personnel and management background. His interests are varied but reports that he personally finds music and singing a strong interest.

"I think that we have a super location at the Edmonton Plaza," Mr. Gregory confesses, "because I think it gives us the facility to provide full real estate service to people moving to the area from other centres especially those staying at the hotel."

Mr. Davidson feels that in this respect the branch office will provide a type of service that realty companies in the Edmonton area have not been providing until now.

"We have already attracted two top-flight real estate people on the strength of the concept alone and if the

people in the business are excited by the concept then it is logical that the public will soon come to realize the strength of it."

"We are a St. Albert company and have proved our reputation in this area," Mr. Davidson says. "This is a new concept for Edmonton

and a new access to the St. Albert market. The new office is fully accessible to pedestrian traffic in downtown Edmonton and will be close to the rapid transit access."

Bell Realty's St. Albert office is located at 12 Perron Street in St. Albert.

The proposed Bylaw No. 24/75 may be examined between the hours of 9 a.m. to 4:30 p.m. weekdays at the Office of the Municipal Secretary in the Town Hall, St. Albert.

A public hearing on the proposed bylaw will be held in the Council Chambers, Town Hall Annex on Monday, August 18, 1975 at 8:45 p.m.

Written representations concerning the manner in which any provision of the proposed bylaw may affect him will be received by the Municipal Secretary until 12 noon on Friday, August 15, 1975. Persons wishing to make oral representation may do so by appearing at the public hearing.

Robert L. Byron,
Municipal Secretary.

Former St. Albert pioneer passes away

Joseph Alphonse Sylvestre, former resident of Saint Albert, died in Edmonton July 9. Funeral services were held at Saint Joachim's Church, Edmonton, July 14. Interment took place in the family plot in the St. Albert Cemetery.

Monsieur Sylvestre as a young man arrived in Edmonton in 1912 where he worked as accountant in the Bank of Hochelaga until he was sent to Villeneuve in 1917. The following year he moved that branch to St. Albert which then became "La Banque Canadienne Nationale." He left his post as manager in 1924 because of ill health.

Alphonse married Marie

Anne Prince in St. Albert in the year 1919, residing here with his family until 1936. After 1924 he was one of the first commuters to Edmonton, driving to work as manager-editor of the French newspaper "L'Union" until it became "La Survivance" which is the Franco-Albertan of today. Mr. Sylvestre, who then worked for the Provincial Department of Highways until the year 1962, gave faithful service for 33 years as accountant-treasurer.

Mr. Sylvestre epitomized the true spirit of the gentlemanly French-Canadian pioneer. In a quiet and devoted manner he efficiently served his community, his Parish

and his family.

While in St. Albert, he served as an active lay-member of the St. Albert Catholic Parish. The Church at the time was the Cathedral before the transfer of the Holy See to Edmonton. The large church was a formidable financial load for the small parish, but the parishioners never ceased working to reduce the debt. As director of the first St. Albert drama group, named Le Cercle Grandin, his many

theatrical concerts followed the church dinners convened by Madame Mauckie. The concerts were bilingual, some of the titles being "Erin Go Bra" and "Le Drame de Weigam."

During the building of the Church, all activities were held in the basement until the structure was complete. The Sylvestre family was active during the time of Reverend Father Albert Lacombe, OMI Monseigneur Legal, Pere Jan and Pere Bidault.

Among his many activities was assisting in the erection of the statue of Father Lacombe at the present site where it overlooks St. Albert.

This exemplary, kindly pioneer, born in Princeville, Quebec in 1897 possessed an endless resource of energy, a marvelous sense of humor and a tremendous love of God and Country.

He will long be remembered by his many friends and relatives. He was a member of the La Verendrye Council of the Knights of

Columbus and Saint Joseph's General Assembly.

He leaves to mourn his loving wife, Marie Anne, two sons and four daughters: Charles, Edmonton; Philippe, Cochrane, Alberta; Mrs. D. Baker, St. Albert, (Jacqueline); Mrs. A. Crossley, (Francoise) Edmonton; Mrs. H. McLeod, (Yolande), of Spruce Grove; Miss Judith Sylvestre of Montreal; 21 grandchildren; five great grandchildren; one sister, Mrs. Anne-Marie Blais, Edmonton.

Robert Wakefield passes away

July 20, Robert Lawrence Wakefield, aged 74, passed away at the Sturgeon General Hospital.

He leaves to mourn his wife Nellie, three sons and two daughters - Robert of Martinez, California; Laurence and Mel, St. Albert; Mrs. J. (Edna) Gregorich, Drayton Valley; 19 grandchildren, and one great grandson, Guelph, Ontario grandson, also two sisters - Mrs. Evelyn Barlow, Guelph, Ontario and Mrs. Pearl Fevins, Regina, S.C.

Lawrence was born in Darlingford, Manitoba on July 22, 1900 and moved to Wainwright with his parents who built a slaughter house and operated a market garden there.

He served overseas with the 50th Battalion and after his return homesteaded in the Tawatinaw area for 29 years.

He drove through St. Albert for the first time in 1921 to deliver feed to the Dairy in Edmonton and that winter helped on several farms in the St. Albert area.

In 1949 he moved to St. Albert and started a taxi business which he operated until 1951.

After selling the taxi service he worked for the Gaulin Brothers Garage, Anglo Canadian Oilfield Service, James Maheux Garage and the Town of St. Albert from which he retired in 1967.

Earlier this year Mr. and Mrs. Wakefield celebrated their 48th wedding anniversary.

Funeral services were held on July 24 at Connelly-McKinley with Very Rev. B. L. Brown officiating with interment at Evergreen Memorial Gardens.

Town of St. Albert

PUBLIC NOTICE

[Section 311 of The Municipal Government Act]

TAKE NOTICE that the Council of the Town of St. Albert, in the Province of Alberta, has given first reading to money Bylaw No. 8/75 which will, on final approval and ratification, authorize Council to borrow monies by way of debenture, to pay for the cost of acquiring land and constructing a building to be used for municipal purposes within its municipal limits.

The estimated total cost of the aforesaid project amounts to \$810,000.00. After deducting from this cost the amount of nil, to be received by way of grants/contributions/revenue funds/donations, etc., the net amount to be borrowed on the credit and security of the municipality at large by the issue of debentures is \$810,000.00. The debentures are to be repayable to the bearer in twenty-five (25) equal consecutive annual instalments of combined principal and interest, the interest not to exceed a rate of more than twelve per centum (12%) per annum.

NOTICE THEREFORE is hereby given by the Council of the Town of St. Albert, that, unless a poll of the proprietary electors for and against the said debenture borrowing is demanded, as provided for by the terms of The Municipal Government Act, the said Council may pass the said Bylaw and submit it to the Local Authorities Board for final ratification and certification that a vote of the proprietary electors thereon is not required.

OF WHICH all persons interested are hereby notified and they are required to govern themselves accordingly.

NOTICE TO PROPRIETARY ELECTORS

A proprietary elector is -

- a person whose name appears on the assessment roll in respect of land liable to assessment and taxation for general municipal purposes, and
- a person who is liable for the payment of a mobile unit licence.

Five per cent (5%) of the proprietary electors may by petition request a vote on a money bylaw under the provisions of Sections 311 and 7 of The Municipal Government Act.

- The petition must be received by the municipal secretary within 15 days of the last publication of this notice and shall contain on each page an accurate and identical statement of the purpose and objectives of the petition.
- Each signature to the petition shall be witnessed by an adult person who shall take an affidavit that to the best of his belief the persons whose signatures he has witnessed are qualified to vote at a general election.
- There shall be set out opposite each signature on the petition -
 - the legal description of the property or other qualifications entitling that person to be a proprietary elector,
 - the postal address of the petitioner,
 - the occupation of the petitioner.

4. A corporation or a church or other religious organization or an estate, the name of which appears on the last revised assessment roll as the owner, conditional owner or purchaser of land that is not exempt from taxation, may in writing authorize a resident representative to sign a petition on behalf of the corporation or a church or other religious organization or an estate.

5. The petition shall be filed with the municipal secretary who shall, in accordance with the Act, compute the number of petitioners that have signed the petition and determine the sufficiency thereof.

6. Every petition shall have attached to it a signed statement of a person whose name appears upon the petition, stating that he represents the petitioners and that he is the person to whom the municipality may direct any enquiries with regard to the petition.

7. No name shall be removed from the petition after it has been received by the municipal secretary.

8. If two or more money bylaws are advertised in a single notice, a separate petition shall be filed with respect to each bylaw.

9. The date of the last publication of this Notice is July 30, 1975.

Residential starts remain slow

The building inspector's report for the month of June 1975, shows that residential units starts compare with June 1974 but totals to date are far below the level of last

year.

Fifty-six permits were issued for single family dwellings in June comparing with 62 in the same month one year ago. It is interesting

to note that to date this year there have been 179 permits issued for single family dwellings, while to the end of June 1974 there had been 411 permits issued for single family dwellings.

Other permits issued in the month of June included eight condominium units (none reported in June 1974), 30 garages (29 in 1974), 11 improvements (five in 1974), two commercial (none in 1974), and one swimming pool (none in 1974).

To date figures are 179 single family dwelling permits (411 in 1974), 23 condominiums (94 in 1974), 176

improvements (41), 115 garages (70), six carports (2), five single family dwelling extensions (8), three industrial (none), one institutional (one), one town owned (none), eight moving (two), and three signs (one).

Available lots in the town include 18 serviced in Forest Lawn, 186 serviced in La-combe Park, 105 serviced in Braeside, three serviced in Grandin Park, and 434 serviced in Akinsdale. BACM Stage VIII includes 302 serviced lots and subdivision is applied for. Carma 11 (Braeside) includes 68 lots - subdivision applied for and

Alcan V (Braeside) includes 41 lots - subdivision applied for.

POLICE DEPARTMENT

The police department reports that a total of 372 complaints were received in the month of June - the total to date is 1,621 complaints received.

No incidents of breaking and entering were reported in the month of June but the total to date is 25. One incident of wilful damage, bringing the total for the year to 67. Five thefts were reported - the total date is 68. There have been seven complaints received regarding thefts of motor vehicles but no complaints were received of car thefts in the month of June.

Highway traffic act charges totalled 133 in the month of June and the total for the year is at 487. There were 45 motor vehicle accidents (total to date is 187). Twenty persons were injured in the month of June bringing the total to 33 for the year.

Twenty liquor control act charges were issued in the

month of June which brings the total for the year to 65. There were 15 incidents of impaired driving in June which brings the total for the year to 41.

Two charges were reported regarding the narcotic control act and the total for the year stands at five.

ANIMAL CONTROL

The animal control officer drove 1,210 miles in the month of June and has travelled a total of 6,736 miles since the first of the year.

One hundred licenses were issued in the month of June - the total to date is 940 (there is felt to be about 2,000 dogs in the town). License fees collected is \$570 for the month of June and \$6,010 for the year.

Tickets issued totalled \$335 with the total to date at \$1,585. Five hundred and fifty-five dollars in fines were paid at the shelter in June (the total to date is \$1,945).

Twenty-eight dogs were picked up (143 to date) and 16 were returned to owners (97). Five were destroyed (total to date is 61).

Mayor questions MLA's remarks on town's withdrawal from Sturgeon Foundation

The remarks contained in the MLA's column regarding the St. Albert Council's decision to withdraw from the Sturgeon Foundation are not based upon an accurate understanding or reporting of the rationale underlying the council decision.

Firstly, it was not indicated in the coverage of the council meeting or in the MLA's interpretation of the events that transpired at the meeting that the proposed accommodations desired by the St. Albert senior citizens would be composed of a self contained unit development which would not impose the burden on the municipality that we are experiencing with the lodge accommodation established under the aegis of the Sturgeon Foundation. In effect, it was clearly stated during the course of the debate that individual residents outside of the Town of St. Albert can easily be accommodated in our proposed lodge without imposing any financial burden on the municipality. The MLA's queries in this regard are therefore quite puzzling.

Secondly, if St. Albert is required to bear the burden of the operating cost due to the provincial government's action in pegging rates which

are below the breakeven level and if there are no residents of St. Albert using the lodge, can the Town Council justify spending municipal funds in areas where no benefits are accruing to St. Albert residents? The council decision reflected the fact that such a course of action could not be condoned. The MLA has indicated that the council should continue to spend funds which do not benefit its citizens. Clearly, no local government can agree with his stand on this matter. Thirdly, there was no statement made that the Foundation had by-passed St. Albert to put a lodge in Gibbons. (This is confirmed by reference to the recorded transcript of the meeting). The intent of the point that was made very briefly in passing was that St. Albert has purportedly made two attempts to have a senior citizens' accommodation located in the town. (The last representation was seemingly made in the late 1960's). It was noted that the recent Gibbons approval seemingly suggests that this centre has a higher priority than St. Albert. It was not stated nor can it be construed to mean that the Foundation had ever "by-passed" St. Albert. One

suspects that the transition period during which the Youville Home was converted from a senior citizens' accommodation to a nursing home accounts for the present lack of accommodation and the location of such facilities in other centres.

Fourthly, the lack of urgency in presenting an application for immediate construction of a Senior Citizens' home stems from the fact that the MLA informed me some months ago that all of the funds had been allocated for the forthcoming year. The town staff has been attempting to resolve the site location over the past few months, however, this matter has still not been finalized to everyone's satisfaction. Given the timing on government budgets, it was decided at the last council meeting to further expedite the matter - the town is already on a priority list - by sending in an application. The problem of finding the best site given certain financial considerations will have to be resolved shortly even if the site selection tends to be the second rather than the most desirable choice of all parties concerned.

In conclusion, the council motion passed on Monday, July 21, 1975 will be presented to the other municipal members of the Sturgeon Foundation. The Foundation will either not support this motion and thus condone the existing unhappy situation created by Provincial legislation or it will join with St. Albert in having this legislation amended. (It is hoped that the latter course of action will be followed). The comments made by the MLA regarding the motion were made without any consultation or discussion being carried out with the town council as a whole or with the mayor. This is a totally unacceptable state of affairs. A member of the legislative assembly cannot properly carry out his function if he does not discuss problem areas with municipalities in his riding. In addition, it is disastrous for a member who represents people residing in areas ranging from Castle Downs in the south to Legal in the north to take sides in a matter prior to the formulation of a definite decision by all of the affected municipalities in the area. This amounts to interference in local government affairs, which is not condoned by the present provincial government leadership.

In closing, it is not my intent to carry on a fruitless debate with the MLA over municipal government matters - particularly those which deal with as important an issue as senior citizen accommodation. The local government of St. Albert has attached a high priority to obtaining senior citizens' accommodation in our community. It is our job to see that our senior citizens' needs in this regard are met in a prompt and efficient manner. This is being carried out.

Local guides go East

Local guides, ranger Carolyn Seitz, Guides Marie-Louise Sorensen, Laurel McIntyuk and Rhonda Smith, all of Tamarac area, will spend the next week in Newfoundland and Quebec.

Carolyn and Marie-Louise, both of St. Albert, and Laurel, Gibbons, left Edmonton International Airport Tuesday for Newfoundland. Rhonda, Gibbons, leaves Friday for Quebec.

With other Alberta Rangers and Guides they are returned the July visit to Newfoundland and Quebec Guides. The exchange is a national Guiding on the Move project.

For Marie-Louise and Laurel, the trip will be their first to eastern Canada. Carolyn, with her family, visited in Nova Scotia two years ago. Rhonda, also with

her family, drove through some of eastern Quebec during a trip to Ottawa four years ago.

The Tamarac area girls will visit central Newfoundland. Arriving in Gander, they will go to Eastport, Bonavista Bay, Terra Nova National Park, Deer Lake, Grand Falls, Lewisport, Twillingate, Corner Brook and Stephenville.

Rhonda, an Air Cadet as well, will be based in Montreal, staying at Royal Victoria College of McGill University. From here she will go on tours in Quebec City and Trois-Rivieres.

A vocal soloist for the two previous years in the CFRN bandstand show at the Edmonton Exhibition, Rhonda passed up the opportunity this year to earn money for her trip. However, she may

entertain in Quebec, for her group has been asked to do a service project for the benefit of either crippled children or senior citizens.

Rhonda does not speak French. She has been employing a French-English dictionary since her name was drawn for the trip, and she has included French among her subjects at M. E. LaZerte Composite High School where she enters this fall.

Saddened by loss of St. Albert resident

Many St. Albert residents were deeply saddened upon the loss of a beloved friend and former resident. Mrs. Don Brownlee, so well known in St. Albert as Tiny Perry passed away July 24 in Edmonton at 60 years of age.

A popular resident of St. Albert from 1950 until 1968, Tiny was well known for her involvement in various activities which would help make St. Albert a better place to live. Among her many endeavours was helping to collect approximately 5000 books to start the stocking of our town library as a centennial project in 1967.

Keenly interested in the political health of the town, she campaigned vigorously through the years on behalf of various candidates in their aspirations to serve us in all levels of government.

Tiny's sparkling personality and warm friendliness will be greatly missed by all those who knew and loved her. She was instrumental in getting together many newcomers to form lasting friendships with one another.

She loved to celebrate life for her, her loving husband Don, son Ken Perry, daughter Mrs. Barbara Butler and three grandchildren, all in Edmonton. She was predeceased by her first husband Don Perry in 1970 and married Don Brownlee January 31 this year.

Funeral services were held July 26 at Christ Church in Edmonton with Canon F. W. Pierce officiating. Serving as pallbearers were Harold Lewis, Dave Davis, Leo Lancaster, Harry Jamieson, Bill Rosser and Doug Mayhew.

Chiefs win B event in Whitecourt fastball tourney

Calahoo Chiefs senior fastball club sponsored by Nasby Auctioneering defeated Grande Cache 7-5 in the final game to win \$250 and the "B" event of the 10 team Whitecourt fastball tournament over the weekend.

Chiefs lost their opening game by a 1-0 score Saturday to the St. Albert A's by allowing Cameron Ross to steal home from third. Dick Bird was the winning pitcher with Ed Kachowski taking the loss. The loss for the Chiefs dropped them into "B" section with the A's remaining in "A" competition.

Calahoo behind the two-hit pitching by Ed Kachowski and home-run help from Gail Refshauge and Artie Stevenson, defeated Sanguo 8-1 in their second game.

In "A" section play, St. Albert A's got a bad call on first base and lost 9-7 to the Ponoka Royals.

Chiefs third game of the tournament saw pitcher Artie Stevenson hold the heavy hitting Stony Plain Playboys to only five runs while his team-mates clobbered the Playboys pitchers for 16 runs. Stubb Berube had a homerun for Calahoo.

The win advanced the Chiefs to the "B" final against Grande Cache. Kachowski started for the Chiefs but left early as Grande Cache scored four runs. Artie Stevenson came in and allowed only one more run while the Chiefs managed to come on strong and score seven runs in a 7-5 win.

Chiefs also won two individual awards in the tournament with Artie Stevenson the most valuable pitcher in "B" division and team-mate and catcher Curly Schneider the most valuable player.

Ponoka Royals won the "A" final for the second year in a row and top money of \$350.00.

Midgets do well at Barrhead

The St. Albert Killarney Midgets played at Barrhead July 26 and took two games straight from Barrhead with scores of 10-6 and 2-1.

They now advance against Warburg July 30-31. The first game will be

played at the Grand Trunk diamond owing the unavailability of a St. Albert diamond.

The St. Albert team will go to Lloydminster August 2 and 3 to take part in the tournament there.

Alberta Summer Games countdown

Transportation of the athletes is a major undertaking in a province-wide event of the magnitude of the 1975 Alberta Summer Games being held in Red Deer on August 29 to September 1. With some 3,000 plus athletes and officials involved, transport efficiency must be of primary concern to Games' officials and participants alike.

All but a few Alberta-Class competitors (the main category of Games competition) will receive full transportation support. This entails busing to-and-from a cen-

tralized pickup point in each zone and accommodation sites at Red Deer, busing between accommodation and competition sites, and local inter-site shuttle bus services as well. Challenge and invitational Class competitors will receive lesser degrees of travel support.

A most extensive operation has been set up, using buses and other vehicles, to satisfy the complex transportation requirements of the forthcoming Alberta Summer Games -- another essential aspect of this, the largest-ever athletic competition ever held in Alberta.

Capital league will expand

At the recent annual meeting of the Capital Junior Hockey League Dave Lillycrop was elected executive director by the club owners and directors.

Last year Dave Lillycrop was coach and general manager of the Waterloo Mercury Provincial Junior BB Champs.

Mr. Wayne Stordahl has been appointed Secretary Treasurer of the league.

The league's new offices will be at Suite 610, 10036 Jasper Avenue, telephone number 429-3212.

It has also been announced

that the league will expand this year and will include Westlock who played in the Alberta Central League and a new entry from Enoch Indian Band. Mr. Raymond Cardinal who is chief of the Band will be the team manager. Indian boys will be recruited from across Northern Alberta who are desirous of playing Junior Hockey while attending school in the Edmonton area.

The league statistician will be Mr. Cec Armstrong, president of the Edmonton Central Intermediate League.

CWSA Provincials

This past Saturday, July 26 and Sunday, July 27, the Canadian Water Ski Association, Alberta Region held the Alberta Open Provincial Championships at Sylvan Lake, Alberta. From this competition a team of 10 skiers were selected to represent this province at the Canadian Championships held at Lac Leamy, Quebec, August 22, 23 and 24.

Selected to the team are: Juvenile Boys: Don Kroetsch, Edmonton, Dan Cadman, Red Deer; Ron Cadman, Red Deer.

Juvenile Girls: Jane Daniels, Edmonton; Boys: Gary Baker, Edmonton; Tim Hunt, Edmonton; Tom Daniels, Edmonton.

Girls: Michelle Knaut, Camrose; Men: Vern Oberg, Edmonton; Ken Baker, Ed-

monton.

Along with the skiers selected, Jim Baker, our Provincial President, will coach the team with Manager Darryl Rubis, executive director and official, Lorna Stefaniuk, Secretary of the Association, rounding out the team.

In the different divisions: Jane Daniels swept tricks, jumping and slalom to take the Overall Trophy in Juvenile Girls. Don Kroetsch of Edmonton swept all events in Juvenile Boys. Michelle Knaut of Camrose took all events in Girls, setting the highest point total of the competition, 1,888 points.

Robert Wing of Australia swept Boys, ages 14-17, except in the jumping competition where Tom Daniels came out ahead. In Mens, Vern Oberg swept all events. Sue Sanders won tricks, slalom and overall while Olga Megley took the jumping event. Harby Portman of Invermere, B.C. swept the four Senior Mens events and Ralph Kroetsch cleaned up all four Veteran Mens events for competitors aged 36 and over.

THE ROCHESTER LIONS warm up at the Morinville baseball diamond before their game with the Morinville Manufacturers last Thursday night.

ST. ALBERT RECREATION REPORT

TENNIS TOURNAMENT

An Edmonton City "B" tournament will be held at Garneau Tennis Club, 10943 - 84 Avenue, on August 2, 3 and 4.

Any 'A' players and Alberta ranked players may not enter. Entry Fees are \$3.50 for single events and \$2.50 per person for doubles events with a maximum of two events per person.

Entry forms are available from Tennis Supervisors at the courts and from the Parks and Recreation office at the Town Hall. Entries must reach Mr. F. S. Kozak, 10942 - 85 Avenue by 6 p.m. Wednesday, July 30.

Draw enquiries: Draw times will be available Friday evening (August 1). Please call 433-5216.

CIRCUS IS COMING!

The Wallace and Rodgers Circus, a one ring show, will be played in St. Albert on August 14 and 15 at Lions Park.

There will be two shows each day, one at 3 p.m. and one at 7 p.m. Tickets are available from members of the St. Albert Minor Football Association. Advance ticket prices are \$1.25 for children and \$2.75 for adults. Tickets at the gate are \$1.50 for children and \$3 for adults.

Be sure to get your tickets soon.

YOUTH EMPLOYMENT SERVICE

St. Albert's Youth Employment Service for summer '75 is now in its eighth week of operation with only three weeks remaining. The response on the part of the business and household community has been pleasing - over 50 students have been provided with an assortment of casual, part-time or full time jobs. There are still many students registered with Y.E.S. who would like to join the ranks of the employed. One of these students would very happily mow your lawn while you're away on holidays, help you if you're moving, or do your house cleaning. So, if you're interested please call June Johnston, Youth Employment Service Co-ordinator, at 459-6601 - Extension 48, 8:30 to 12:30 p.m. weekdays.

MINOR FOOTBALL SEASON BEGINS

The St. Albert Minor Football Association announces that practices for Pee-wee Football (ages 10 - 13) will commence August 7 at designated fields around the town starting at 6 p.m.

Monday, August 4, is the commencement date for practice of those interested in Bantam Football (ages 13 -

15) at Lorne Akins Field, 6 p.m.

AQUATICS PROGRAM

August 4, due to the civic holiday, lessons will be cancelled. A recreational swim has been added on from 10 a.m. to 12 noon for the enjoyment of citizens staying in town. The pool will be open regular hours.

Due to the long distance swim competition being held on August 15, RECREATIONAL SWIMMING WILL BE CANCELLED from 7 p.m. to 9 p.m. The teen swim has been scheduled from 11:30 p.m., to 12:30 p.m. as a Midnight Swim that evening.

Don't forget to drop by Grosvenor Pool this evening

Seniors plan visit

There were eight tables playing at the senior citizens card party July 10 when players could choose between whist or bridge and others were enjoying pool.

Prize winners were Alice Durocher, E. Couturier, Ben Morin and Lily Szuba.

Last week's bingo was a real success with over 60 seniors attending the event at the Centre.

The seniors plan a visit to Fort Edmonton August 4. There will be free transportation for members and the bus will leave the Centre at 1 p.m. Memberships at one dollar are available at the Senior Recreation Centre and admission to Fort Edmonton is 50 cents.

The seniors will also be holding a card party July 31.

AROUND TOWN

St. Albert Seniors turned out 48 strong for bingo at the Rec Centre last week and are now preparing for a bus trip to Fort Edmonton on August 4, when they expect to have a group of 48.

** ** *

to take in the Watershow. Action begins at 7 p.m., and features the comic antics of our Pool Staff.

TEEN PROGRAM

Thursday, July 31 and Friday, August 1, teens can go on a camping trip. The group will be leaving from Lions Park at 10 a.m. and returning on Friday at 6 p.m. Fee for the trip is \$5.00.

Tuesday, August 5, the teen co-ordinator will be taking a group out to Hubble's Lake to picnics and swimming. Meet at Lions Park at 10 a.m. Fee is \$1 for registration.

Wednesday, August 6, teens can take in horseback riding. There is a \$1 registration fee and \$2/hour for rental of a horse. Meet at Lions Park at 11 a.m.

TENNIS PROGRAM

There are still some openings available for junior, intermediate and advanced tennis lessons. Contact the Town Hall for information on lesson times.

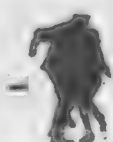

Every Friday is activity day at Mission Courts. Juniors in the morning and adults in the afternoon. Mr. Barclay will be on hand to assist anyone wishing to get involved. Round Robin and Ladder Tournaments will be arranged.

A court reservation system is now in effect on all tennis courts in town. In order to reserve a court pickup a reservation tag from the Town Hall or one of the tennis supervisors and phone in your number to the Town Hall to book a court for two hours during any one week.

Bruins allocated arena time

The committee of the whole passed a recommendation to council that the Junior Bruins hockey team be informed that there would be ice time allocated to them in the 1975-76 arena schedule.

Mayor Richard Plain made the motion in light of the fact that a bid to bring Junior "A" Tier 2 hockey to St. Albert was turned down by the league's board of governors. Mr. Ron Yanosik of the Bruins had also requested council to indicate if support would be given to his team for the upcoming season.

Mr. Bernie March, director of parks and recreation, conveyed the apologies of Mr. Messier, who had been involved in the attempt to secure a Junior "A" franchise for St. Albert. Mr. March noted that Mr. Mess-

ier was still interested in having a positive decision from the council regarding support for the team for the 1976-77 season given the potential that a new facility would be located in the town.

Mr. March said that a meeting had been held with the arena user groups about three weeks ago at which time a proposed schedule of ice allocation including the ice times for the Junior "A" team, and the 1974-75 schedule were presented for their discussion. Mr. March said that both schedules had been satisfactory to the users.

The motion carried 5 to 0. Coun. Breadner and Fyfe were not present at the committee meeting.

Coun. Thronson wondered if there should be

discussion regarding the schedule of ice time. Mayor Plain did not feel that discussion should take place on the schedule until the 1975-76 schedule was drawn up, unless council had a policy decision to make in that regard. He felt more information was needed.

Coun. Smith felt that she would like to have information regarding the booking mechanism for ice time at the arena as followed by the schools. She explained that the reason why she wished this information was the proposed schedule omitted ice time for parents and pre-

school children. She said that if the schools were committed on a monthly basis it would be possible to advertise the times when the arena would be free and make more time available for mothers and children.

Mr. March said that at this time the consideration was to request the schools to book on a seasonal basis. In answer to a question from Coun. Thronson regarding the use of the arena by the schools, Mr. March noted that the recreation department was making efforts to convince the schools to use the times allocated to them in

the arena.

Mr. March reiterated comments from Mr. Messier and said that it was his feeling that given the time to plan and prepare to re-apply for the Junior "A" franchise the franchise bid may be better received next year. Mr. March also noted that Mr. Messier had indicated that he would be prepared to make a financial commitment given a favourable decision by council regarding the franchise.

Mayor Plain moved that

the committee recommend to council that a submission from Mr. Messier be entertained. The motion carried 5 to 0.

Coun. Thronson wondered about the demand for public skating time at the arena. Mr. March said that at the start of the season the times were well used but this fell off as the season proceeded. He also noted that if times were reduced there would be a public uproar whether or not it was being used.

Junior Swinger places third

Thirteen year old Sandra Strand, member of the Sturgeon Valley Ladies Golf Club scored a 101 and 98 (total 199) in the City Jr. Girls tournament last week to place third. Congratulations Sandra.

We're all certain this promising young golfer will be heard from many times in the years to follow.

Yesterday 15 members turned out to golf at the club. Twelve members attended the Edmonton Country Club Visitation Day.

Four members are participating in the Belvedere Ladies Tournament today.

At time of printing 10 members are entered in the Marg Ward tournament which the Sturgeon Club is hosting on August 6 and 7. This event usually attracts 80 lady golfers.

On August 12 the Sturgeon Ladies will be guests of the Highlands Club.

The Club Championship is progressing smoothly. Results will be published on completion of this event.

Mosquito Baseball

The Eskimos, 10 years and under, will represent St. Albert at Belvedere Community Centre, Edmonton, in the final zone baseball playoffs leading to the provincial playoff. The dates of this double round robin are August 2 and 3. Three teams will participate. On July 19 and 20 the Eskimos emerged the winners in a four team playoff leading to this week's action.

TOWN OF ST. ALBERT Notice of Public Hearing

The Council for the Town of St. Albert passed the following resolution at a Council meeting held July 21, 1975:

That the Council for the Town of St. Albert apply to the Provincial Planning Board for an order to exchange the Public Reserve Lot 1-R, Block 10, Plan 4476 R.S. in the east portion of Forest Lawn for Public Reserve Lot R-95 as shown on subdivision plan 73-SA-3 prepared by Strong Lamb & Nelson Ltd. 1973 as Part of River Lots 46 east of Braeside and that a public hearing on the disposal of Public Reserve Lot 1-R, Block 10, Plan 4476 R.S. be held at 7:45 p.m., Monday, August 18, 1975, in the Council Chambers in the Town Hall Annex.

Reasons for the application are to comply with a previous commitment which saw public reserve land owing from east Braeside which had not been subdivided at the time, temporarily dedicated as part of west Braeside and Forest Lawn subdivisions. When east Braeside was subdivided, a permanent public reserve was dedicated in that neighbourhood. Abutting property owners were previously advised concerning these actions by letters dated November 13 and November 14, 1973. A public hearing was held November 26, 1973 and subsequently a Provincial Planning Board Order was issued approving the exchange. As the order has lapsed, it is necessary to re-advertise.

Any person who is the registered owner of land abutting or adjoining the reserve parcel or residents who claim to be affected by the proposed disposition of the reserve may submit written objections to the resolution to the undersigned prior to Friday, August 15, 1975. Persons wishing to make oral representation may do so by appearing at the public hearing.

ROBERT L. BYRON,
MUNICIPAL SECRETARY.

Festive atmosphere at Legal

By Lucienne Montpetit
Everyone had "real field days" at Legal's Fete au Village celebrations last weekend. A record crowd was well treated with fine foods and a very good variety of entertainment.

Legal can be proud of its dedicated people who organized Fete au Village (Recreation Board) and also those who volunteered to help and work during the two days.

The cooperation of the weatherman providing us with sunny skies was reflected on smiling faces making Fete au Village a swinging success.

Chief Maurice St. Jean and his able breakfast crew took care of hearty appetites with free delicious flapjacks a la Canadienne with bacon and coffee.

The parade route was lined with hundreds of people to watch the hour long parade including five bands to kick off the dedication in honour of Mr. Georges Bugnet.

Mr. Bugnet was driven in a 1930 convertible Chrysler driven and owned by Roger Causette of St. Albert.

Judging the parade entries were Corp. H. Lamb, Dr. MacDonald and Judge Andre Deschene. The winners were: 1st - O'MEARA Lodge, 2nd - Morinville Frontier Daze, 3rd - Legal Summer Recreation Program, Bon Accord Agricultural Society won for the most original.

The winners of the best decorated bicycles were 1st Gerald Montpetit, 2nd Ernest Letourneau, 3rd Gilbert Montpetit, 4th Kim Trithart, 5th Robert Vallee.

The pancake eating contest was held in the arena Saturday afternoon. Marie Letourneau won the trophy for 14 and under, Art Biledeau won the trophy for 15 and over.

Mrs. Fernande Letourneau and Mrs. Julie Hills won the \$25 gate prizes.

Entertainment at the Beer Gardens was well received Saturday afternoon with the Twilites, Dolores Brisson pleased the crowd with her french songs. The Edmonton All Girls Drum and Bugle Band and the Morinville Frontier Dollies delighted the large crowd of which

included many visitors.

The Satellites kept the packed arena in a dancing mood at the Cabaret Saturday evening. Michele Prefontaine driving for Legal Motors won first prize.

Crowds of spectators enjoyed the variety program on the bandshell. It was unfortunate that Mile Cabane a Sucre 1975 and the folk dancing group from Falher couldn't attend as planned.

The jiggling contest was a real crowd pleaser.

The winners were Raoul Bergevin and Jean-Paul Roy from St. Albert. In the children category Marie Letourneau was first, Maurice Chamberland second and Wally Fizer third.

The husband calling contest was also humorous. Paulette Tieulle, Valerie St. Martin, Mickey Stapleton and Elsie Royan were given ashtrays for being such good sports.

The Starlites provided some delightful supper music at the barbecue.

At 2 p.m. Saturday the \$1,200 baseball tournament was officially opened by pitcher Ernie Jamison MLA.

Reeve Flynn catcher and Hon. Horst Schmid on bat.

This was followed by a Memorial for Paul de Champlain (victim of the June 28 accident) read by Walter Van de Walle.

A minute of silence was observed by the crowd and players. On behalf of the Legal ball team Raymond Brisson presented Paul's baseball suit and scroll to his parents Mr. and Mrs. Fern and de Champlain of Vimy.

The semi finals saw Vimy defeat Lamont 11 - 10 in three innings overtime. Morinville won Linaria 10 - 9. The finals were played between Vimy and Morinville with Vimy winning the tournament 8-7.

The greased pig contest was won by Joe Biledeau Jr. and Albert Morissette.

The celebrations concluded with the Citadel Jamboree featuring Gabrielle Bujard singer and John Charles magician. Both provided excellent family entertainment.

The celebrations ended with a gigantic display of fireworks.

INTERNATIONALLY RENOWNED author and horticulturist Georges Bugnet of Legal enjoys the Fete au Village in that community last weekend. The fete was in his honour. He took his place in the parade in a 1930 Chrysler driven by Roger Causette (right).

Lucille de Champlain Legal Queen

CANDIDATES for carnival queen at the Legal Fete au Village last week, Lucille de Champlain was declared winner and was crowned by former queen, Marie St. Martin.

Mrs. Rachelle St. Onge.

Lucille was presented with an array of gifts: a beautiful bouquet, a leather purse - donated by Hutchings Shoes from St. Albert, a \$10 gift certificate - Merle Norman Cosmetics; picture frame - Mappings Jewellers - necklace and earrings - McKenzie's Jewellers; watch from Macleod's; two meals of her choice - New York Steak House; dinner for two - Dragon Palace, St. Albert; shampoo and set - Grandin Park Beauty Parlor; curling iron - Sturgeon Valley Electric.

The four other candidates were presented with a pendant watch given by the Recreation Board and a record from A & A Records.

Kathy Gerla was chosen by her fellow candidates as Miss Congeniality, she was given a beautiful wallet and matching key case given by Woolco.

Special thanks are extended to Mrs. Mickey Stapleton and Mrs. Esther Tieulle who were the girls' chaperone in charge.

The Rec. Board wishes to thank all the businesses who donated such beautiful and useful gifts to encourage the girls. It was greatly appreciated.

By Lucienne Montpetit
Lucille de Champlain was crowned Mlle Fete au Village 1975 by last years queen Marie St. Martin. The five girls were judged on appearance, personality, presentation and talents.

The judges were Mrs. Gabrielle Trudeau - Cournoyer from Quebec; Sharyn Favreau the runner-up for Mlle Cabane a Sucre 1975 and Christiane Durand Mlle Cabane a Sucre 1972. The emcee for the evening was

LEGAL LOCALS

By Lucienne Montpetit
This is my last column in the Gazette. I have been reporting for 10 1/2 years and I would like to thank everyone for their cooperation especially Ernie and Shirley Jamison and the Gazette staff.
I sincerely hope that

someone will replace me very, very soon. Just dial 458-2240 and tell them you'll give it a try and the "job" is yours.

Mr. and Mrs. John Cornells are happy to announce the engagement of their

daughter Doreen to Lyle Desmond, son of Mr. and Mrs. Stanley Desmond from Spedden.

Mr. and Mrs. McCarthy from Montreal are visiting with their daughter Lynne and Remi Prefontaine.

Get well wishes are extended to Laurent Champagne, Rene Georget who are hospitalized.

While hundreds of people were anxiously waiting for the parade to start Mr. Rene Georget (owner of Legal Hotel) was going down main

street to line up in the parade with his buggy when his mare and her colt were frightened by a car and Rene lost control. The horse ran over the sidewalk, cut across the lawn, throwing Rene off on the sidewalk and the seat also flew on the neighbouring lawn. The ambulance

was called and he was taken to the hospital. He expects to come home Wednesday..

That sort of threw a damper to begin the celebrations.

Later Saturday afternoon the Honorable Horst Schmid was returning to Edmonton after attending the parade, luncheon, and officially opening the baseball tournament when he was struck by another car half a mile west of the village limits. Mr. Schmid suffered minor injuries (no broken bones) and was taken to the Royal Alex Hospital by the Legal Ambulance. John McDougall from Westlock was driving the other car. Police are investigating. The community extends their warm wishes for a speedy recovery. Mr. Schmid expects to be released from the hospital Friday.

A set of keys was lost on the grounds at Fete au Village. The keys were on a Legal Motors key chain. If you have found these keys please mail them to Box 341 Legal, Alberta.

THE EDMONTON ALL GIRLS DRUM AND BUGLE band proudly took their place in the parade up Legal's main street last Saturday morning.

THE LEGAL SCOTIA Bank thinks the best way to get rid of problems is to take a bath on Legal's Main Street - to get into the swing of Fete au Village celebrations.

Collins-Demers Wedding

By Lucienne Montpetit
Simone and Pat Collins are seen standing in front of the Sacred Heart R.C. Church in

MR. & MRS. PAT COLLINS

Edmonton where they exchanged marriage vows in a candlelight ceremony. Simone is the daughter of Roland and Claire Demers from Legal, Pat is the son of Edwin and Simone Collins of Edmonton.

Attending the bride and groom were France and Claude Ouimet. Petite Mona Collins, sister of the groom was flower girl, Gerald Montpetit, cousin of the bride was ring bearer. Lucienne and Pat Montpetit were vocalists with Pat at the organ.

Following the ceremony a reception was held at Oliver's Restaurant for some 80 relatives and friends.

Claude Ouimet was master of ceremonies. Terry Collins (brother) proposed a toast to the bride.

Pat and Simone are making their home in Edmonton.

Doreen Cornells graduated from the Misiereordia School of Nursing, Doreen completed her course on July 25. She is now enjoying a months holiday, to return to work in surgery at the Misiereordia Hospital. Doreen is the daughter of Mr. and Mrs. John Cornells from Legal. Good luck Doreen in your chosen career.

Waugh pioneer laid to rest

Mr. Nick Zilinski, who came with his family to settle in the Waugh district 73 years ago, passed away at Sturgeon General Hospital on July 1 at the age of 87 years.

Prayers were held at the Park Memorial Chapel on the evening of July 3, conducted by Father Woloshyn and the funeral mass of Resurrection was held Friday morning, July 4 at Joseph's Cathedral in Edmonton, celebrated by Father Woloshyn. Burial was in St. Michael's Cemetery.

Mr. Zilinski came to Canada with his parents from western Ukraine in July of 1900 at the age of 12 years.

The family settled first at Star, Alberta, and being the oldest boy, young Nick had to care for his mother and the younger children while his father, Alexander, went off to look for a job in order to get the bare necessities for the family.

In March of 1902 the

family moved to settle on a homestead at Waugh, and again the young boy had to shoulder responsibility, working for different farmers in north Edmonton and Fort Saskatchewan areas. A year later he filed a homestead located west of Half Moon Lake and the land was surveyed five years later.

Still at home in 1904 Nick joined with the neighbours in cutting logs and making

lumber for the first Ukrainian Catholic Church in Waugh. In this same year the area officially got its name of Waugh, and a post office, operated by Waugh Brothers.

The following year Nick worked building the railway at Banff and later joined work gangs at Wolf Creek and Medicine Hat.

Finding it difficult to live in an English speaking coun-

try without understanding the language he took the opportunity to learn English at night classes held at a camp at Wolf Creek. Lessons were given by a fellow worker who was English speaking and willing to teach the boys.

In February 1911 he married Miss Josephine Marchak and the couple started farming. Their marriage was

blessed with a family of nine - seven sons and two daughters.

Mr. Zilinski was active in community activities, and helped in the construction of the first Ukrainian recreation centre in the community. He took part in the school boards and stressed to the family the importance of education. He was a pioneer member of the Alberta Wheat Pool.

In 1950 Mr. and Mrs. Zilinski left the district to retire in the city where they lived ever since.

Both were well respected by their neighbours and the community.

Mr. Zilinski is survived by his wife, Josephine; six sons, Steve and Joe of Edmonton, Julian of Calgary, John and Leon of Legal and Frank of Thorhild; two daughters, Ann Duszka of Westlock and Lucy at home; 24 grandchildren and four great grandchildren; three brothers, Walter of Oshawa, Joe of Penticton and Peter of Prince George.

Circus coming to Morinville

Saturday, August 16 the sounds of animals and working men will echo forth from the sports grounds in Morinville where Canada's Royal Bros. Circus will erect its tents for the day and give performances at 4 and 6 p.m. under the sponsorship of the local Knights of Columbus.

Royal Bros. circus is the only touring tent circus in Canada and presents a 90 minute performance designed for "children of all ages." Fifteen circus acts under a gigantic big top will bring back memories of past circus days for the adults and thrill the children who are making their first visit to the sandust and canvas world of the circus.

This years edition brings forth many new attractions and will feature Virginia Braborn's fine aerial web routine; Michael's Canine Revis featuring their amazing high-diving dog; Royal and Bongo her trained T.V.

Bros. military ponies from Oklahoma; the internationally famous Beatrice Dante Star Chimpanzee from Belgium; the incredible Whiz Kids on the unicycle; plus jugglers, aerialists, acrobats, trampoline stars and clowns, plus trained horses, ponies, llamas, and featuring "Big Ellie" the four ton circus elephant.

Besides the fine circus performance under the big top, Royal Bros. Circus carries a wild animal zoo with many cages of lions, bears, monkeys, and pigmy goats. Also there is a pony ride for the kiddies and a refreshment stand.

Royal Bros. Circus does not bring to your community the largest circus in the world but it does bring the best family tent circus in Canada today. 100% entertainment that is clean and wholesome for families and children.

Don't let your friends and

neighbours tell you the next day what a fine show you missed. Buy your tickets now from any member of the Knights of Columbus and also in various stores in town and in the surrounding area. Remember by buying your tickets in advance you not only save money but you help your local sponsor make more money as they receive the greatest percentage on the advance sale of tickets. Don't forget rain or shine we hope to see you under the big top.

Before the show, adults wishing to relive childhood memories or to introduce their children to the magic of the Big Top, are invited to the show grounds early circus morning to view the activities and to watch the feeding of the animals.

CIRCUS ACTION comes to the sports grounds in Morinville August 16 under the sponsorship of the local Knights of St. Columbus. Royal Brothers Circus is the only touring circus in Canada and presents thrilling entertainment for all ages.

MORINVILLE MEMOS

By Marg Bantz
Morinville girls excel in summer figure skating schools. After a long grueling course, these youngsters successfully completed their programs. At the Royal Glenora Club: Vivian Blackburn - passed the blues; Jocelyn Blackburn - passed 1st figure; Jacqueline Cormier - passed preliminary into 1st figure and passed three dances. This was Jacqueline's (Giggs) first time at summer school and according to all reports she did exceptionally well. At the Sturgeon Arena Lise Houle -

Morinville's nine finished up second best in the Legal Fete au Village baseball tournament held on the July 26-27 weekend. The Seniors drummed Westlock 13 - 8 Saturday to earn an appearance Sunday at 3 p.m., against Linaria. They proceeded to shoot down Linaria 14 - 12 on Marcel Tourangeau three-run homer in the final inning of play. The

passed two dances) also participating was Cynthia Robinson. Perhaps one of these hard working young ladies will be a future "Karen Magnusson."

The Morinville Lions Figure Skating Club will be holding a power skating program from Sept. 9 to Oct. 16. The fee has been increased from \$6 per child to \$8 per child due to the increase in instructor's wages. This will include two lesson days a week plus practice time. Registration will be August 7, at the arena

numbers game caught up with Morinville's side when they played Vimy at 7 p.m. Sunday, losing out 8-7 in a close fought contest, that was decided on a last inning run scored on a deep hit fly ball.

In league play Seniors whipped Bon Accord 11-6 Tuesday, July 22 and nipped Rochester 4-3 Thursday, July 24. Rick Pugliese added two more homers to his collection in Thursday's game.

Craig's Manufacturers senior baseball club are sponsoring a new game that should prove to be very entertaining. "Donkey Ball" will open Sunday, August 3 at 3 p.m., on the Morinville diamond. In addition to the usual nine players there will be a long earned mount at each base, shortstop and outfield positions. When the ball is hit, players must mount their donkey and play ball! Come on out and watch the fun and excitement when town versus country Sunday at 3 p.m. Admission is \$2 per adult and 75 cents for 14 and under.

Morinville town council has given conditional approval to two commercial buildings, one with suites.

A bylaw was passed to enter into an agreement to establish Sturgeon Regional Recreation.

Morinville Recreation Board submitted to council their priorities in the future. These are as follows and in the order of importance: completion of curling rink, addition to Club Rendezvous, development of Heritage Lake, outdoor skating rinks, parks development (A park study will be required in the future), an outdoor swimming pool (when population is between 4,000 - 6,000), conversion to an indoor swimming pool and outdoor tennis courts.

The next meeting of town council will be on Tuesday, August 19.

Readers co-operation in telephoning or bringing in news items is much appreciated, and as early in the week as possible. Please phone 939-4145 or drop off at 9901 - 99 Avenue.

Morinville Credit Union tops 5 million dollar mark

Maurice Perras, manager of the "Caisse Populaire De Morinville Savings and Credit Union Ltd., stated recently that the Credit Union had reached a record high in assets of \$5,018,000.

This is an increase of 1.7 million since December 31, 1974.

Mr. Perras is also pleased to announce that Mr. Edwin Rae has been appointed assistant manager.

Mr. Rae comes to the

Credit Union with a wide range of experience.

Before joining the staff of the Morinville Credit Union, Mr. Rae was employed as a manager of the Squamish Savings and Credit Union Ltd., at Squamish, B.C., and before that he was manager of a finance company in California. Mr. Rae presently resides in Edmonton, and is also a former Edmontonian.

He served 8½ years on the Edmonton City Police Force.

He is married and Mr. and Mrs. Rae have two children, a daughter and a son.

Other recent members of the Credit Union staff are Miss Marlene Kieser, a recent graduate, and Mrs. Linda Waage. Mrs. Waage was employed by the Canadian Imperial Bank of Commerce before joining the credit union staff.

The Credit Union now has a staff of seven full time employees, and two part time employees.

Mr. David Bokenfohr is president of the Credit Union, and Mr. J. L. Rousseau is the vice-president.

MORINVILLE

Van Brabants celebrate 25th anniversary

"It would have to be a frosty Friday in June at an anniversary mass celebration that lingered in the minds of friends and relatives as they gathered June 27 to hum the final notes of this St. Albert resident's favourite tune.

Albert Van Brabant took a Morinville local, Mary Lutz 'untill death do us part!'

Twenty-five years later, on the occasion of their silver wedding anniversary, Mr. and Mrs. Albert Van Brabant were honoured (and reminded of their courting days) by their eight children (Dolores, Lorette, Lorraine, Sharon, Darlene, Marilyn, Philip and Darrell) at a gala celebration.

The party started as the couple renewed their wed-

ding vows and exchanged rings at an anniversary mass celebrated by Father Primeau in St. John Baptist Church. As the couple entered the church, followed by their children, Sister Majau led the whole congregation in the hymn "I was Full of Joy." Assisting Father Primeau was the couple's youngest son, Darrell. The scripture readings were read by their daughter Sharon and to end the mass on a solemn note, Sister Majau led in singing "On This Day Oh Beautiful Mother."

After the church service some 450 friends and relatives gathered at the Morinville Recreation Centre for a dance and a midnight

buffet. An archway decorated by roses welcomed all into the lives of the couple as pictures of the children and streamers of roses radiated the hall. Near the archway friends had a chance to toss a lucky penny into a wishing well for the couple's future happiness. Passing by, the crowd glanced at the couple's wedding picture, cake and the bride's bouquet.

An out of town guest, Joos and Laverne Kanough from Wisconsin who was at the couple's wedding 25 years ago, greeted them with warm words and ended saying they already reserved the date June 24, 2000 to celebrate the couple's golden anni-

versary. A few words were given by daughter Sharon, on behalf of the children, who thanked their parents for being just themselves.

Congratulatory messages were received from Peter Loughheed, MLA Ernie Jamison and Pope Paul in Rome. Albert and Mary then spoke, expressing their heartfelt thanks to their children for making such a fine celebration to blast their next 25 years off together and to friends and relatives for their presence.

To all those who could not keep the date the couple replied "see you June 24, 2000." The program ended as the family sang "When Your Hair Has Turned To Silver."

MR. AND MRS. Albert Van Brabant celebrated their 25th wedding anniversary in Morinville June 28th.

VIMY NEWS

By Darlene Provencal
Jocelyn Fortier and Lucille DeChamplain from the 4H Sewing Club, and Michele Blanchette and Danny Blanchette from the 4H Beef Club, enjoyed Club Week at Olds for a week.

Following Club Week at

Olds, Lucille DeChamplain then spent another week at Gold Eye Lake Camp. She returned home this week.

The Rick Landry family is now back home after their three week long holiday. Talking with them I found

out they made a 5,077 mile trip, through the U.S. as far as the Mexico border and back up again, stopping in at various points. One highly attractive place they were at was Disneyland. They were also in Las Vegas for a few days and were lucky enough

to have been gone from there a few hours before that flash flood came down from the mountains. The rest of the trip was equally as lucky, except for a few minor mishaps. Anyway, it's nice to see you back, safe and sound.

Mim Landry, who was teaching last year in B.C., and Lucienne Landry, from Fahler, are both home to spend the holidays with their parents, Mr. and Mrs. Francois Landry. An added joy and surprise was the arrival of another daughter, Francis Greenwood of Portland, Oregon. She flew out to spend a week with the family.

Last Sunday, July 17, Leo and Sylvia Fortier hosted an anniversary party in honour of Mr. and Mrs. Lucien Fagnan. A barbecue was held in the afternoon for the immediate family followed by an open house. Many relatives from both sides were present to help Lucien and Yvette celebrate their 35th wedding anniversary. Congratulations to you both.

The second annual Vimy Utilities Co-op Cabaret will be held this year on August 16. Entertainment will be supplied by the Satellites from 9 p.m. till 2 a.m. Tickets are \$5 per couple with lunch included. So circle your calendars on this date and plan to attend. Everyone welcome.

Congratulations to Art Bilodeau who is now King of the pancake eating contest at Legal's Fete au Village. Art ate the most pancakes in the least time over some 15 other contestants. Does it take a lot of practice, Art?

Morinville student exchange

By Marg Bentz from the "Young Voyager Program" arrived home sa-

fely on Wednesday, July 16 from their Eastern Canada tour. Special thanks from the students to Mr. and Mrs. John Keylor who were their escorts on their 12 day excursion.

Twenty boys and girls left Morinville on Friday, July 4. After spending three nights on the train, they arrived in Ottawa on July 7. They stayed at the Carlton University for two nights and then went on to Quebec City, which they also toured, and spent the night at Laval University. The group then lived in Rimouski with different families from July 10 - 16. On July 16 they flew home on a 737.

On Thursday, July 24, the Scarborough students arrived in Morinville for their exchange visit. Many different activities are planned for the visiting students and lets hope they enjoy their stay in the west as much as our youths enjoyed their visit to the east.

Report From Bon Accord

By Sadie Allen

Going into August, it's time to be thinking school-wise. Anyone with children kindergarten age and wishing information about or registration forms for, may obtain both from Gail Burnham, 921-3964 or Karen Germaine, 921-3788. It is important that registrations be in early. Thirty-five children will assure two classes. Anyone with a new neighbour with kindergarten age children is asked to pass along this information.

Bon Accord Gems knocked out the North-Eastern Starlets in two straight on Sunday, in the northern zone Junior A Ladies provincial playoffs, with a 9-0 score in the first game and a close 9-8 in an exciting second game that ended with the young run on third when Sharon Ramsdahl snagged a line drive between short and third, retiring the side. The girls will now be going south on August 16 and 17 for provincial playoffs.

Senior men dropped a close one in the first game at Legal over to Vimby by a 3-1 score. A makeup league game will be played at Linaria on July 31. Legal will be at Bon Accord on August 5 and Bon Accord at Morinville for the final league game on August 12. The league champion series is slated for August 24.

The Bon Accord Ag Society topped off the award for

Originality in the Fete au Village parade on July 19. The theme for the float was the branch of Arnie Reichle. Much time and hard work by members of the Society brought it into being. The float featured two mountains - paint job by John Engman - built on the Reichle truck and Ray Rigney wagon. Riding the float on the truck were Ethel Samis and Marlene Vaeleleik and Ethel's prize milking goat

John Engman with sons Thomas and Christopher, Tara and Renata Samis, Lori Bilecki, Stacey Danake, Warren Schneider and Mark Carleton rode the float on the wagon. Susan and Loran Carleton led goats alongside. Gary Bilecki carried the Bon Accord Market Day sign. Decorated bikes were ridden by Charlotte Samis dressed as the Farmer's Market Day Girl, Steven Bilecki as Santa Claus, Cindy Danake as a

switchman, Mike Danake as a clown, Royal Samis as a baseball player, Don Strawson as a fireman and Lyle Strawson as a musician. Cheryl Danake, Dancan, Chad and Clayton Davis and Heath Reichle as Superman on his mini-bike. Lance Reichle dressed as a clown pulled a decorated wagon carrying two ducks and a I've Been to Market Day sign. Float master was Eldon Samis. Arnie Reichle walked

with the procession to see that things went smoothly with the bike riders. Signs were the work of Lynda Bland. A big thank you is extended to all those who took part in the production of the float and a belated thank you to all those who worked during the goat show held in June with a special mention going to Albert Hewitt and Wes Carleton for night supervision and to the booth workers.

Gibbons News

Arriving Wednesday the 16th from Vancouver Don Whitaker was a pleasant visitor with his parents Mr. and Mrs. Bert Whitaker of Edmonton and sister Mrs. Lloyd Christie of Gibbons. Having recently returned from a trip to Scotland; and expected to leave shortly for Tokyo for a period of nine days. Don works for the Canadian Pacific Airways

and is always on the move with his headquarters in Vancouver.

Congratulations to Mr. and Mrs. Bob McEwen Jr. (nee Joanne Gaumont) on the birth of their first child daughter Kerri Ann Lorraine on June 9, 1975. Weight 6 lbs. 5 ozs. Proud grandparents are Mr. and Mrs. Bob McEwen Sr., and Mr.

and Mrs. Roland Gaumont all east of Gibbons.

Mr. and Mrs. Corrie Blom and family of four daughters and one son of British Columbia, who have been visiting in this district with relatives and friends have returned to their home in B.C. Having come especially to assist with the 50th wedding anniversary of their

parents - Mr. and Mrs. Klaus Blom on July 13 which was held in the Gibbons Community Hall to a large gathering of relatives and friends. Mrs. Blom then (Yvonne Sutherland) was a one time school teacher in Gibbons.

Mr. and Mrs. Stan Adams and two daughters Debbie and Darlene and Mr. and Mrs. Lloyd Christie and children Kerri Ann and Jason spent the past weekend at Alberta Beach enjoying the cool water of the lake.

Mr. and Mrs. Warren Foss of Toronto, Ontario and two youngest children were recent visitors amongst relatives and friends. Coming especially to help celebrate Mrs. Foss (the former Ethel Johnson of this district) father's 80th birthday Carl S. Johnson - a family gathering for the occasion was held on July 6 at the Elwood Galloway home near Fort Saskatchewan - Mrs. Galloway (Miriam) is also a daughter of Mr. Johnson.

Lynda McCormick wishes to thank the parents of the 1974-75 kindergarten for the lovely watch and book and also for help and support throughout the year. Their efforts have made this one of her most memorable years, she said.

Gibbons seniors take trip to Fort Edmonton

Twenty-eight senior citizens from Gibbons went by bus to Fort Edmonton July 10 to see the sights instead of taking in their regular meeting.

After stopping off for lunch, they eventually arrived at the Fort to see and

learn more about the past.

They inspected the trade room, trade store, interpreters room, storage area, fur loft and fur press, also "Rowland House" with all the additional quarters.

While the party was at the Fort, bread was being kneaded and a young man was hard at work pumping a forge making preparations for horse shoeing.

Then some of the older buildings which had been brought in and reconstructed were inspected, these included the Bulletin Building of 1878 built by publisher Frank Oliver, also the NW-MP station and guard house. Other highlights were visits to Dr. Walby's drug store and Dr. Wilson's office, the J. A. McDougall General Store and some original crowned men's hats now coming back into fashion during Klondike Days.

The old school house was visited and really reminded the party of its own school days, with the old benches and the big belled wood heater.

The party also looked over the Ottewell Home, a two storey log house, very well built and intact with original furnishings and kitchen stove, pots and pans.

The trip ended with a visit to the St. Albert Lions Park, where a refreshing lunch was enjoyed by all. Special thanks to the bus driver was extended by the party, hoping that their behaviour didn't put him off for future trips in the coming years.

CORONADO NEWS

Mr. and Mrs. Bill Jefferson from Yorkshire, England are presently staying with their daughter and son-in-law, Mr. and Mrs. Blake Pratt of Coronado.

While here, they plan on accompanying the Pratt's on a two week holiday to British Columbia. Last weekend they visited Gull Lake and stayed with Blake's sister.
